Charges for Services

Note: Transportation arrangements for approved shipments are made by the Export Coordinator. Shipments are arranged with an approved carrier. If you would like to request a specific carrier, please provide an account number. Otherwise, payment for the shipment is billed to your Ohio State account. Animals are packed as caged unless otherwise instructed.

Who will pay for domestic shipping? *If you are sending overseas, your chartfield is required to pay the \$100.00 International Health Certificate. You are required to collect payment from the other institution.* _____
